(please note coloured borders, close to the bag colour maybe added to artwork to assist adhesion of fine print / detail).

- Due to the variety of materials/production processes used during printing, we cannot guarantee a full pantone match, however we will endeavour to match as closely as possible to specified colours.
- As a result of the constraints 4 Colour Process printing, we will match as closely as possible to Process Coated Pantone References, therefore your pantone reference will need to be a 'CP' code. If you are expecting anything other than this please double check the pantone colour against a Process Coated pantone book before approving the artwork as Process colours will differ from spot colours.
- The colour and texture of a product can have an effect on the final print colour.
- Where ink colour is critical, please request a printed sample to ensure colour accuracy.

STAY SAFE.... STAY OFF THE RAILWAY

The electrified rail and overhead wires have electricity in them. It is very **dangerous** and the electricity is **always switched on**.

A train travelling at 125mph can take up to 2000 metres to stop in an emergency – that's the length of 20 football pitches.

The yellow line on a platform is to **warn you** that trains pass at high speed so **never cross the yellow line** until your train has come into the station and stopped.

An average train weighs **400 tonnes** which is equal to **80 large elephants**.

Do not go on the railway it is **very dangerous**.

Understand the warning signs at level crossings (lights, barriers, alarms). **STOP LOOK LISTEN** when using level crossings.

**OUR MESSAGE IS SIMPLE.... THE RAILWAY IS A BUSY AND DANGEROUS PLACE SO
STAY OFF THE RAILWAY**

Please be advised:

- This visual is not designed to be an accurate representation of the colour of the actual product - it is primarily to depict the desired logo for size, positional checking and sign off.
- We always recommend that your customer views a plain sample prior to purchase as we cannot be held responsible if the colour of the product is not as expected once the order has been completed.
- The print colour on our PDF's are not designed to be used as an accurate representation of how the print colour will look on the finished product. This visual will vary in colour from screen to screen - please refer to appropriate pantone book.
- We cannot be held responsible if the print colour is not as expected for the reasons mentioned on page 1.
- We print to a 5mm alignment tolerance, this allows for discrepancies in product production and manual positioning of our products within the print process.
