NOTE TO CUSTOMERS

The layout shown is not to scale (unless specified) and is only intended to show the approximate positioning, colour print of the artwork and process to be used on the item ordered.

The artwork shown will be used to create a blocking/embossing die, however due to the nature of this process, and the difficulties of reproducing small lettering certain restrictions of letter height may apply. The reproduction of fine detail, tints and shading are not achievable with embossing / blocking process. Certain materials such as grained leather and P.U. may affect the logo reproduction and may not reproduce as clearly as shown.
