COMMENTS:

light coloured inks  
will darken down  
slightly when printed  
on non white  
background

Whilst every effort has been made to ensure this artwork is correct it is the customers responsibility to check for any errors. On any work which contains tone/screen work, we would strongly recommend the use of a Cromalin. This will enable you to view a closer representation of the finished bag. Please note that the colour of the finished bag may alter to the proof slightly. This also applies when printing actual Pantone Colours over a non white substrate. Whilst all efforts are made to maintain the closest possible match, a variation can occur. In all cases please ensure all areas of the print specification are checked and dully signed in areas as shown.

PLEASE APPROVE BY SIGNING THE APPROPRIATE BOX

DISCLAIMER: APPLIES TO 100% COVERAGE DESIGNS ONLY.

Please be aware any bags printed above the handle should they be used over a long duration, the ink is likely to come off in the hand. The ink itself is not toxic or harmful in any way and will wash off with warm soapy water. The area around and above the handle can be left unprinted if desired.
