IMPORTANT INFORMATION

Visual **NOT TO SCALE**, for positioning purposes only. Pantone colours cannot be represented perfectly with standard office printers or computer monitors. Pantone colours may vary from one product to another depending on the base material and colour, however we will match the required colour as close as possible. Artwork is a close representation, and should not be used for actual measurements.

Please ensure visual is accurately checked before giving artwork approval, this includes spelling, artwork and layout. Once visual is approved production of your product will begin, **any mistakes and/or errors found AFTER APPROVAL** will not be accountable by us.
