NOTE TO CUSTOMERS

The layout shown is not to scale (unless specified) and is only intended to show the approximate positioning, colour print of the artwork and process to be used on the item ordered.

Every effort has been made to ensure that the colours illustrated are accurate to the final printed item. Due to the restrictions of the screen printing process, variations between the colours shown in the PDF format, on screen and the final printed item may occur. Pantone references have been quoted, but colour variations between items may occur on different materials and the print processes used. Due to the varying nature of metal & rubber compounds, permanent print adhesion cannot be guaranteed.
