While we have taken every care in it's presentation, it is your responsibility to ensure that the size, layout, copy, spelling and colour seperation are correct in every detail.  N.B. This proof was generated on a Epson PHOTO 1290. It is intended to give a rough idea of what the finished job will look like. The colours are not exact matches of the Pantone Colours. (The Pantone Colours specified will be used when the job goes to print).		

N.B. Your Order will NOT proceed until signed & dated approval is received.
