- Due to the variety of materials/production processes used during printing, we cannot guarantee a full pantone match, however we will endeavour to match as closely as possible to specified colours.
- As a result of the constraints of textile printing, we can only use 'uncoated' ink, therefore your pantone reference will need to be a 'u' code.
- If you are expecting coated ink ('c' code) please double check the pantone colour against an uncoated pantone book before approving the artwork as coated ink will differ in colour to uncoated ink.
- The colour and texture of a product can have an effect on the final print colour.
- Where ink colour is critical, please request a printed sample to ensure colour accuracy.
