We cannot accept liability for errors, however caused, which are evident in the proof and not indicated by you at this stage. You are liable for all relevant costs incurred in correcting such mistakes once the proof has been approved. Please note, your order will not go into production until proof is approved. This product may have more than one print

area, please check to ensure the print position is correct as mistakes cannot be rectified once the goods have been printed. Due to the restrictions & constraints of printing, we can only use coated ink, therefore your pantone reference will need to be 'C' coded. Double check pantone colours against a pantone book before approving artwork. Also the colour and texture of a product can have an effect on the final print colour. We have a unders & overs policy of 1% per colour.
