Please note: Newchurch Recycled has an open weaved texture and when printed, the print will reflect the bag texture. Print edges will not be straight and ink saturation will vary. This will result in an 'imperfect finish' causing everybag printed to look different. We highly recommend artwork be blocked and no smaller than 2mm in thickness.

Print Size: 220mm in width and 35mm in height.

Please see page 2 for logo artwork at 100% scale.

- Due to the variety of materials/production processes used during printing, we cannot guarantee a full pantone match, however we will endeavour to match as closely as possible to specified colours.
- The colour and texture of a product can have an effect on the final print colour.
- Where ink colour is critical, please request a printed sample to ensure colour accuracy.
