All colours including print and product is for visual purposes only and should not be regarded as the actual color of product and print. If Pantone colour is not noted on order, standard ink color will be used. Please note Pantone matching can incur additional fees. PMS (Pantone Match System) We cannot guarantee perfect Pantone match on dark-colored or stainless steel products. Print colors may not be true to the colours that appear on screen. Exact placement is not guaranteed unless specified. For full Terms and conditions please see here: <https://www.everythingbranded.co.uk/terms>

Please note QR codes may not print or scan well on textured, curved or shiny surfaces. Flat, non-glossy product surfaces will work best.

We suggest a pre-production proof when printing a QR code so it can be tested using multiple devices and in multiple scenarios (daylight, darker room, etc.) Ability to scan could vary among different devices. We are not responsible for any QR code issues once printed or once approved on your final proof.

Please check all information on this document, including layout, fonts, spelling, colours, print size and position.
