Logo: Set-up

Symbol and logotype
The MRC LMS logo consists of three elements: the UKRI symbol, the Council symbol and our logotype.
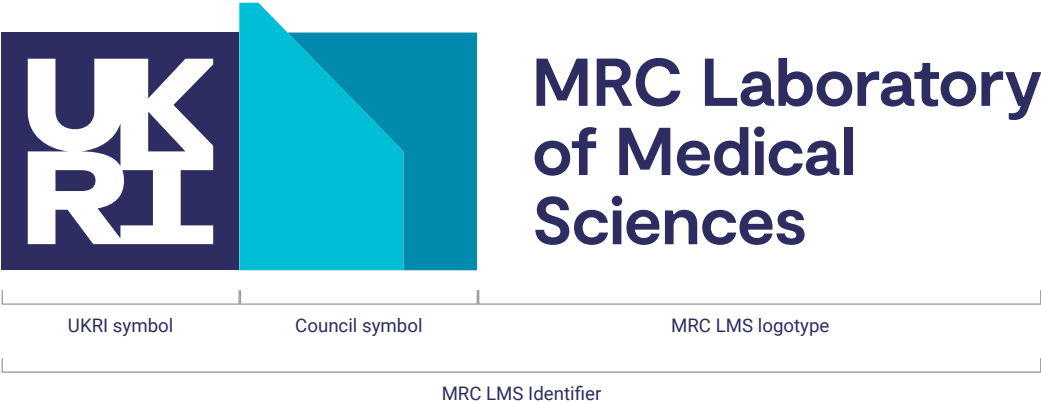

Preferred colouring
This colouring is the primary version of our logo, a secondary version which uses a white logotype can be used to ensure logo readability. Monotone versions for black and white applications are available.

Always use the artwork
The logo should always be reproduced from the provided artwork file and must not be stretched, squashed, re-drawn or altered in any way. Our logo artwork is available in the following formats:

Pantone®: ai, pdf
CMYK: ai, pdf, tif
RGB: ai, emf, pdf, png
Greyscale: ai, emf, pdf, png

For further information please refer to the Logo section in the main Brand Guidelines.
