# How to submit your artwork

## **How to submit your artwork**

To process your order, it's important we receive your artwork in the correct file format. Vector graphics are the promotional merchandise industry standard. Vector file formats include .eps, .ai, .pdf, and .svg. They allow us to resize the image without any pixelation. If you only have artwork as GIFs, JPEGs or bitmaps, our design team can support you by re-drawing it for you. We will need to price this accordingly.

## **Colour Matching**

Please provide us with your Pantone references to ensure we achieve the best possible colour match for your branding. Our online Pantone guide will help you if you are unsure of the colour palette you require.
