Branding Position: Centre Front
Print size: 220mmW x 260mH

PLEASE NOTE

Colours display differently on all screens, so we strongly advise against assuming the print colours will match the colours on your display. The only way to guarantee colour reproduction is to provide a Pantone/PMS reference. If you don't provide these, or provide a CMYK, RGB, HEX or other non-Pantone reference, we can not accept responsibility for problems arising from colour reproduction.
