Branding Spot Colour (1 col. max)

### PANTONE® Colours

### Artwork Advisories

Light colours may appear darker/different when printed onto a dark item.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. **Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work.** Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

**Please email all approvals/amends to your order processor.**
