Please note- this is a visualization of how your logo might look on one of our products and is not in any way intended to be a “proof”. While we hope that this visual will be as accurate as possible, it must be noted that colours will vary from screen to screen. The purpose of the visual is primarily to depict the desired logo on our item and cannot be assumed to be a totally accurate representation of pms colours for either logo or product. We always recommend that as a minimum, a plain product sample is viewed prior to purchase, and that the best branding solutions available are discussed and agreed upon once the final editable artwork is available. This logo is set approximately to scale on this visual.
