Please be advised

- Due to the colour variation of display devices, the colour shown should be taken as representative only.
- We recommend a plain sample prior to purchase and cannot be held responsible if the colour of the product is not as expected once the order is complete. Due to the manufacturing process, the colour of some recycled products may vary by batch.
- Jute has a rough 'hairy' texture and, when screen printed, the print will reflect the bag texture. Print edges will not be straight and ink saturation will vary. This will result in an 'imperfect finish'. Every bag printed will look slightly different.
- Note that the colour and texture of a product can affect the final print colour. Where ink colour is critical, please request a printed sample to ensure colour accuracy.
