## for the following articles:

**Commission dyeing, printing and finishing: Woven fabrics made of 100 % cotton, cotton/elastane and 100 % viscose in white, reactive dyed, reactive printed and pigment printed (only on cotton and cotton/elastane) as well as cotton/polyester in white and reactive/disperse dyed with softener, full handle and crease resistant finish.**

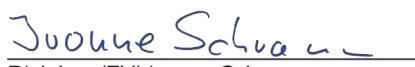

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 6, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 6 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate 13.HIN.29776 is valid until 31.12.2022**

Boennigheim, 03.02.2022
