Please add a packing list to each carton confirming the carton contents and SKU number above.

Please do not mix the designs when packing.

Delivery needs to be booked in to the client's warehouse at least one working day before delivery. So that this can be done, please confirm the following ASAP:

- the delivery date,
- name of courier company who will be making delivery,
- and number of boxes per design
- number of pallets and boxes per pallet if applicable (its ok to put all the designs on one pallet, just don't mix them up in the boxes)
