Product no.	Product Description	Quantity	Unit price	Subtotal
R9101	Sundridge Recycled A4 Conference Folder	100	7.11	711.00

Introducing the Sundridge Recycled A4 Conference Folder - the eco-friendly solution for companies looking to make a statement and promote their brand in style!

Crafted with meticulous attention to detail, this unzipped A4 folder is made from recycled Reach-compliant PU, ensuring that every purchase contributes to a cleaner and greener planet. The eco-consciousness doesn't stop there. The interior of this remarkable folder is lined with recycled 190T R-Pet material, giving it a sleek and stylish appearance that sets it apart from the rest. Inside, you'll find a convenient pocket perfect for storing important documents, along with a business card holder to keep your professional connections within arm's reach.

We know that being truly prepared means having all the necessary tools at your fingertips, which is why we've included an elasticated R-Pet pen loop to ensure you never find yourself without a writing utensil when inspiration strikes. And to top it off, each Sundridge Recycled A4 Conference Folder comes complete with a 20-page lined recycled paper pad, so you'll always have a place to jot down your brilliant ideas. The folder can be personalized with a bold one colour print, to display your logo or message prominently.

We understand that authenticity is important to you and your company, and that's why we've gone the extra mile to include a QR code on each folder. This code provides all the details about the fabric and certifications, allowing you to showcase your commitment to sustainability while engaging with your target audience.

With the Sundridge Recycled A4 Conference Folder, you can make a lasting impression on clients, colleagues, and partners, all while reducing your carbon footprint. It's time to embrace the power of sustainability and promote your brand in a way that aligns with your values. Order your Sundridge Recycled A4 Conference Folder today and take the next step towards a brighter, more environmentally friendly future!
