R6301-7	<b>Kemsing Recycled Backpack</b> You can have it all - style, comfort, and sustainability - with the ultra-modern Kemsing recycled backpack! Show off your commitment to environmentalism with this sophisticated bag made from 250x300d R-Pet fabric - an eco-friendly material created from recycled plastic bottles. Whether you're dashing around town, catching the train en route to work, or trekking through nature trails during the weekend, you'll be equipped for any journey with the sleek design of Kemsing Backpack.  This backpack offers maximum convenience and comfort. The adjustable straps allow you to customize it to your individual body size, while the breathable back panel provides coverage without making you feel bogged down. It also features elasticated side bottle holders so your hydration is always within reach. If security is your priority, use the zipped pocket located on the front panel to store small items like cards and coins when moving around.  This bag enables you to make an effortless fashion statement while being mindful of our planet's resources – don't miss out on this smart choice for your eco-conscious lifestyle! Get your hands on a Kemsing Recycled Backpack today!
