

# Sendoso Ship Notice Report

## PLEASE READ:

- Your Ship Notice Report must accompany all shipments for the product(s) listed below.
- Do not include products in these shipments that are not listed below.
- Each box must arrive with a shipping label either printed on it or affixed to it, in a location and condition that is easily visible and scannable.
- Please include this printed PDF on the outside of your box

Not following the above guidelines will result in longer processing time for your products. Please reach out to your Sendoso Customer Success Manager with any questions.
