PC300295	Newbarn 8oz Recycled Cotton Tote Newbarn 8oz Recycled Cotton Tote: do your part for the environment with this stylish and sustainable bag! Are you looking for a way to be kinder on the planet? The Newbarn 8oz recycled eco tote is a great conversation starter that puts sustainability first. This tote bag is made from an innovative blend of 60% recycled cotton material, sourced from upcycled t-shirts, combined with 40% rPET – recycled fabric from plastic bottles – for extra structure and support. Not only is this tote eco-friendly but these materials also provide extra strength and durability so that your investment won't be in vain. It's not just its environmentally friendly building blocks that make this tote an item you need right now, though; it also boasts classic styling that will never fall out of fashion. With its minimalistic design and ultralong handles, it fits easily over the shoulder, perfect for use as your go-to grocery or work bag - or even as an everyday choice! Choose from a range of colours to express your style at home or on the road. The Newbarn 8oz recycled cotton tote has got class, it's almost weightless (just 225gsm!), and it makes a great gift for those who want something long-lasting yet stylish. Do your part for the environment today by taking one of these bags home!
