Jute has a rough "hairy" texture and when screen printed, the print will reflect the bag texture. Print edges will not be straight and ink saturation will vary. This will result in an "imperfect finish". Every bag printed will look different. Quotes are valid for 7 working days. Quoted prices do not include VAT.

* If carriage costs have been requested/quoted above we have included the cost for [DPD - Channel Islands - Two Day](#). Allow an extra 2 working days in transit. Please provide a contact number for the delivery address.
