All of our bags are torque tested for maximum loads (see spec listed under quote). The maximum bag load is based either on BOTH shoulder straps being used, or the top carry handle. As our products are intended as promotional items we do not recommend any of our backpack products are used in schools, colleges or universities, as they will tend to be overloaded. The average laptop weighs in at approx. 2kgs, tablets around 300g. Final prices are subject to sight of artwork.
