Jute has a rough "hairy" texture and when screen printed, the print will reflect the bag texture. Print edges will not be straight and ink saturation will vary. This will result in an "imperfect finish". Every bag printed will look different. Quotes are valid for 7 working days. Quoted prices do not include VAT.

* If carriage costs have been requested/quoted above we have included the cost for **DPD - Next Day**. Please provide a contact number for the delivery address.

* Unless otherwise specified, carriage quoted will be by DPD next day to one UK Mainland address. (Scottish Highlands at extra charge). Please check that the method quoted is suitable for your requirements or call for a quote. NB: If Pallet delivery is quoted it is assumed that this is to a warehouse location (with forklift on site - please check). Please provide a contact number for the delivery address.
