JU3002B - Dargate Eco Jute Tote Bag Blue Navy

Large Eco tote shopper bag made from 14x15 natural jute (with PVA/Natural starch mix backing) with a side pocket and natural colour cotton webbing handles. ** PLEASE NOTE - Jute fabric is not suitable for fine details or text for screen printing purposes, as details will get lost in the rough texture and weave of the fabric. Transfer print will be the better method of print, but will require fine keylines to help adhere design to the bag **

Branding Method: Screen Print 1 Colour(s) 1 Position(s)

Lead Time is 7 working days from approval of artwork.

Jute has a rough "hairy" texture and when screen printed, the print will reflect the bag texture. Print edges will not be straight and ink saturation will vary. This will result in an "imperfect finish". Every bag printed will look different.
