## JU1011B - Yalding Eco Jute Shopper Tote Natural Black

Eco Tote bag made from natural 14x15 Jute with PVA/Natural starch mix backing. Padded Short handle ** PLEASE NOTE - Jute fabric is not suitable for fine details or text for screen printing purposes, as details will get lost in the rough texture and weave of the fabric. Transfer print will be the better method of print, but will require fine keylines to help adhere design to the bag **

## Branding Method: Transfer (Large) 2 Position(s)

**Notes:**

Jute has a rough "hairy" texture and when screen printed, the print will reflect the bag texture. Print edges will not be straight and ink saturation will vary. This will result in an "imperfect finish". Every bag printed will look different.
