Important print information:

Please note, for screenprinted orders we only print in uncoated (u) ink. This can differ in colour to coated (c) ink so please check the uncoated pantone book before approval. For Digital Uv print we match to coated colours.

Laptop Bags/Backpacks and Casual Backpacks Disclaimer

All of our bags are torque tested for maximum loads (see spec listed under quote and information also available on our website). The maximum bag load is based either on BOTH shoulder straps being used, or the top carry handle. As our products are intended as promotional items, we do not recommend any of our backpack products are used in schools, colleges or universities, as they will tend to be overloaded. The average laptop weighs in at approx. 2kgs, tablets around 300g;
