Important print information:

Please note, screen printed orders can be printed in either uncoated (U) or coated (C) ink. These can differ in colour so please check the pantone books before approval to confirm your client is happy to proceed. For Digital UV print we match to coated colours.

Laptop Bags/Backpacks and Casual Backpacks Disclaimer

All of our bags are torque tested for maximum loads (see spec listed under quote and information also available on our website). The maximum bag load is based either on BOTH shoulder straps being used, or the top carry handle.

As our products are intended as promotional items, we do not recommend any of our backpack products are used in schools, colleges or universities, as they will tend to be overloaded. The average laptop weighs in at approx. 2kgs, tablets around 300g;
